

Transition Success System

Discover strengths. Find direction. Communicate with confidence.

A proven system to help service members build a meaningful future and successfully integrate into civilian life.

1 PERSONAL TRANSITION BLUEPRINT™

Identify what matters most, your strengths, and what energizes you to create a personalized decision-making framework.

OUTCOME: I KNOW WHAT MATTERS TO ME.

2 HARRISON CAREER ASSESSMENT

Discover your natural strengths, motivators, and work preferences to identify career paths aligned with who you are and how you're wired.

OUTCOME: I KNOW WHERE I FIT.

3 TYPECOACH® COMMUNICATION SYSTEM

Learn to communicate effectively in civilian environments and build stronger relationships at work and at home. Guidance is type-to-type, not one script for every personality.

OUTCOME: I KNOW HOW TO CONNECT AND THRIVE.

THREE INDIVIDUAL COACHING SESSIONS

Session 1

- Personal Transition Blueprint™
- Strengths & values clarification
- Passion & purpose alignment
- Decision-making framework

Session 2

- Harrison Assessment debrief
- Job Success & Career Options review
- Career path exploration
- Transition planning

Session 3

- TypeCoach communication training
- Workplace & family integration
- Communication strategies
- Action plan for success

PARTICIPANTS LEAVE WITH

- ✓ Greater confidence in their civilian identity
- ✓ A personalized strengths and career profile
- ✓ Career options aligned with their interests
- ✓ Improved communication skills for any environment
- ✓ Tools to strengthen family, workplace, and community relationships
- ✓ A repeatable decision-making framework

Some participants continue coaching throughout their transition.

WHO AM I? WHERE DO I FIT? HOW DO I THRIVE?

WayPoint Coaching Inc. helps transitioning service members discover their strengths, identify meaningful career paths, and develop the communication skills needed to thrive in civilian life.
